

# EV / Hybrid Information Patch System

**RajaFerry®**

## Travel Information for EV & Hybrid Vehicles

**EV (Electric), HEV, and PHEV vehicles allowed only**  
from **Monday to Thursday** (selected schedules / safety regulations)

 <b>Allowed:</b> Monday – Thursday	 <b>Not Allowed:</b> Friday – Sunday
--	--

A visual + popup solution to clearly inform customers about EV / Hybrid travel rules during booking.

## **Problem**

Customers book restricted days and are rejected at the port.

## **Solution**

Show visual popup during booking to prevent invalid selections.

## **Engineering Overview**

Frontend popup + simple rule check (no backend change required).

Flow: Select car → select date → check → popup → adjust
